Who We are

Capital Employment Services is a reliable manpower supply & outsourcing company providing skilled, semi-skilled, unskilled and general workforce solutions to businesses throughout the UAE. Our tailored manpower solutions enable companies to optimize productivity, maintain workforce flexibility, and ensure smooth operations and project delivery in diverse industry sectors.

Leveraging deep industry knowledge in Energy, Oil & Gas, Construction, Farming & Agriculture, Landscape & Irrigation, Hospitality, Marine & Shipping, FMCG, Facilities Management, and Manufacturing projects, we provide workforce solutions that support operational excellence and compliance with site-specific requirements.

Our approach is centered on providing qualified professionals who enhance productivity, uphold safety standards, and support efficient project delivery. Whether supplying technical experts, construction crews, warehouse personnel, or administrative staff, we ensure every workforce assignment is managed with professionalism, reliability, and attention to operational requirements.

At Capital Employment Services, manpower goes beyond staffing solutions. We help businesses strengthen operations, maintain continuity, and drive sustainable growth through reliable workforce support.

Your workforce partner for productivity, reliability, & excellence across every industry.

Our Vision

To become a leading manpower supply & Outsourcing company in the United Arab Emirates recognized for delivering dependable workforce solutions, operational reliability, and long-term client value across diverse industries.

Our Mission

To provide skilled and efficient manpower solutions that support project success, workforce productivity, and operational continuity through professional coordination, quality staffing, and responsible workforce management.

Manpower Supply and Outsourcing- Civil

We provide reliable civil manpower solutions for construction, infrastructure, and site development projects. Our skilled workforce supports every stage of execution, ensuring productivity, efficiency, and timely project completion.
